GREENWOOD HIGH INTERNATIONAL SCHOOL

» THE SCHOOL

Greenwood High is an independent, co-educational English medium international school established in 2004 in Bangalore, the vibrant IT capital of India. Every student at Greenwood has the opportunity to explore talents, nurture intellect and creativity, and grow to his or her fullest potential with the awareness of a core value system of commitment & empathy. Our vision is that every young person who passes through these portals will be a principled thinker, an effective communicator & an open-minded global citizen. The motto of the school is to provide a fresh perspective on education, one that marries the talents of each child to the opportunities afforded by the present-day social milieu.

MOTTO
Rooted In Knowledge

Reflecting the core values of our rich heritage, we aspire to build strong foundations for our students based on the most powerful value of all knowledge. The motto of the school is to provide a fresh perspective on education, one that marries talents of each student to the opportunities afforded by the present-day social milieu.

OUR VISION
A Fresh Approach

Our vision is that every young person who passes through these portals will be a principled thinker, an effective communicator and an open-minded global citizen. We're founded on the principle of keeping traditions while having a pragmatic approach towards latest teaching pedagogy

MISSION STATEMENT

To educate the youth to be active, free thinking, and socially responsible citizens in a democratic society, while unlocking the intellectual, aesthetic, moral, physical, and emotional potential at the same time.

SUPERLATIVE SYNERGY

The contrast between our motto and vision conveys that the school believes in blending both the old and new, by tapping into the unlimited potential of tomorrow's technology while still instilling yesterday's values in our students, which we believe to be the best guiding principle.

» ACCREDITATION

Greenwood High is accredited to the council for the Indian Secondary Certificate Examination - applicable from Grades I to XII, for a two-year course of studies beyond the Indian Certificate Secondary Education (Grade 10) Examination. Students of Grade 11 and 12 pursue the ISC board. These tracks, specifically designed to suit students of varying ability and global career focus, represent a smooth transition from year to year of academia and prepare students to take on the challenges of the course curriculum and university life.

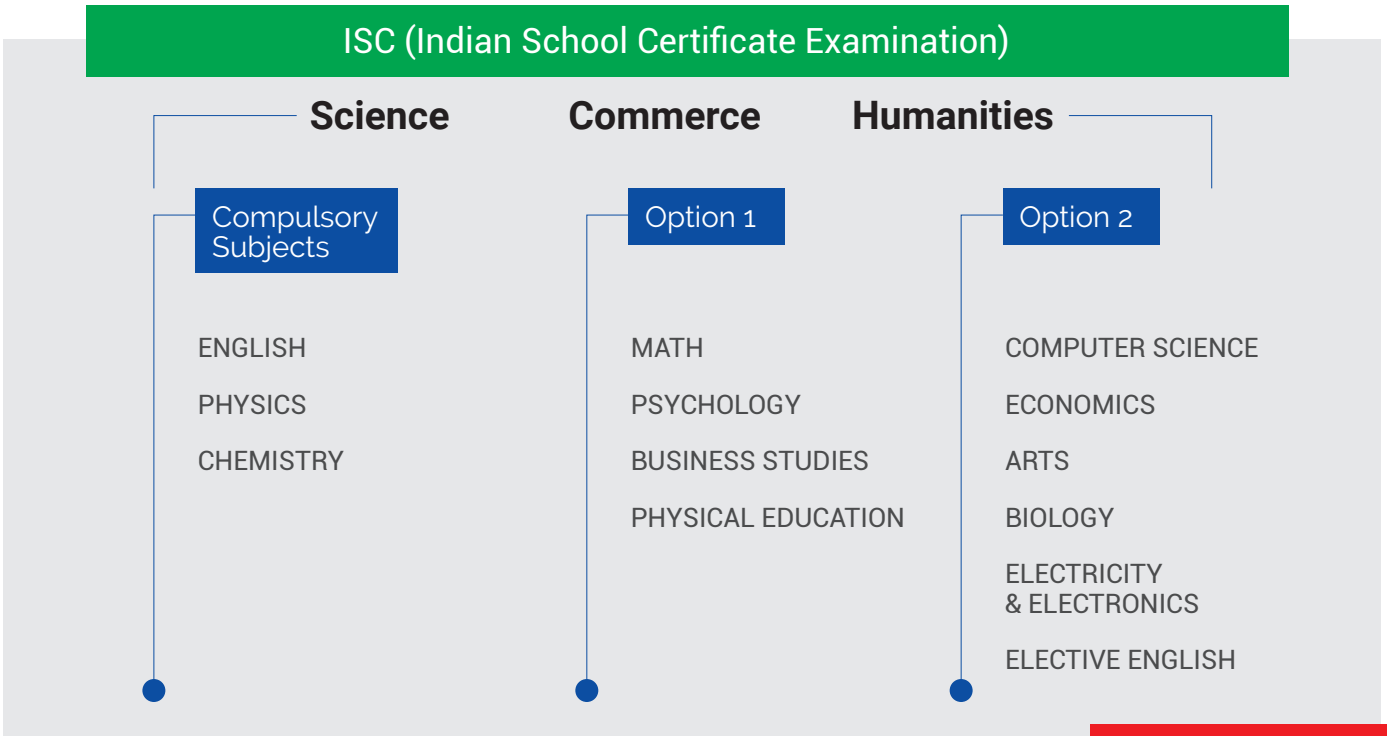
» CURRICULUM

ICSE (Indian Certificate of Secondary Education Examination)

The Indian Certificate of Secondary Education Examination ensures a general education without any diversification of studies as all candidates are required take six subjects and Socially Useful Productive Work (SUPW). Group I subjects are compulsory, and students must choose TWO from Group II and ONE from Group III and one second language

Group I	English, History & Civics, Geography, Second Language (Hindi/French/Kannada)
Group II (A) (Anyone)	Science (Physics, Chemistry, Biology), or Economics
Group II (B) (Any One)	Mathematics or Environmental Science
Group III (Any One)	Computer Applications / Economic Applications/ Commercial Applications/ Art / Physical Education / Mass Media & Communication

All students in Grades X and XII, regardless of the subjects chosen, must fulfil the Socially Useful Productive Work (SUPW) grade to obtain a pass certificate. The nature of this programme may involve field trips and community service, which are organised by the school.



» ASSESSMENT
CRITERIA AND REPORTING

Students are evaluated following the systematic format of Unit Test and Term Exams. Student learning is measured on an ongoing basis through regular cycle tests, term examinations and internal assessments.
Grade IX and XI have two Unit Tests & two examination cycles.
Grade X and XII two Unit Tests & three Examination cycles.
Academic reporting is in accordance with the standards outlined by the CISCE (in Percentages) The same grading system applies for the Predicted scores.
The school does not rank students within subjects, class or cohort. The school also does not provide the GPA as a means of ranking student performance. Detailed reports for the same are shared with the parents. Final results of ISC students are declared in the month of May.
