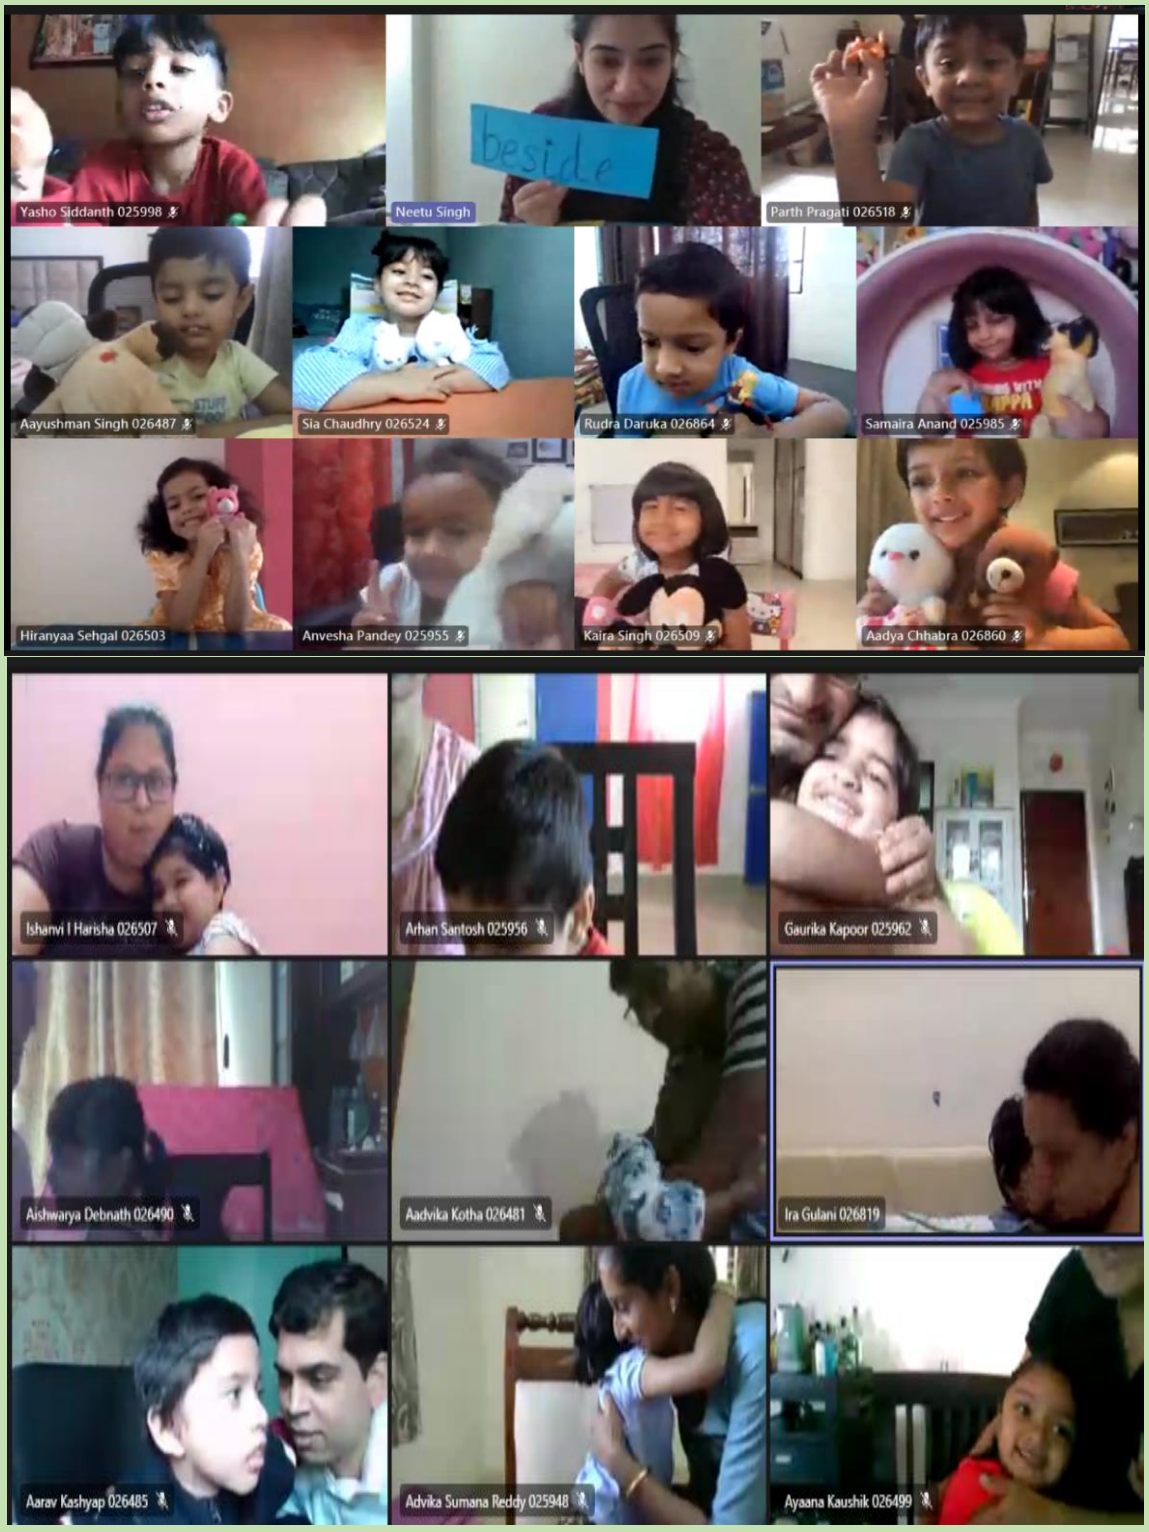
Management letter -KG 1 September

September is the month when Autumn says hello,
Summertime is over and back to school we go!
Even though it's sad when sunny summer ends, I
smile "because I'll get to reunite with all my
friends!

During our Animal Theme, we identified different animals, their sounds and their homes. We learned about their classification based on their habitat, food habits and adaptations. We also touched upon specific food web and food chain process in the Eco-System. We accomplished the theme by getting deeper in learning some of the interesting facts about domestic and wild animals.

Burst the balloon to read the sight word

Children learning about concepts



Some Fun with shapes

Into the wonderland of books

Hands on Activities to learn number value

Every child is an artist

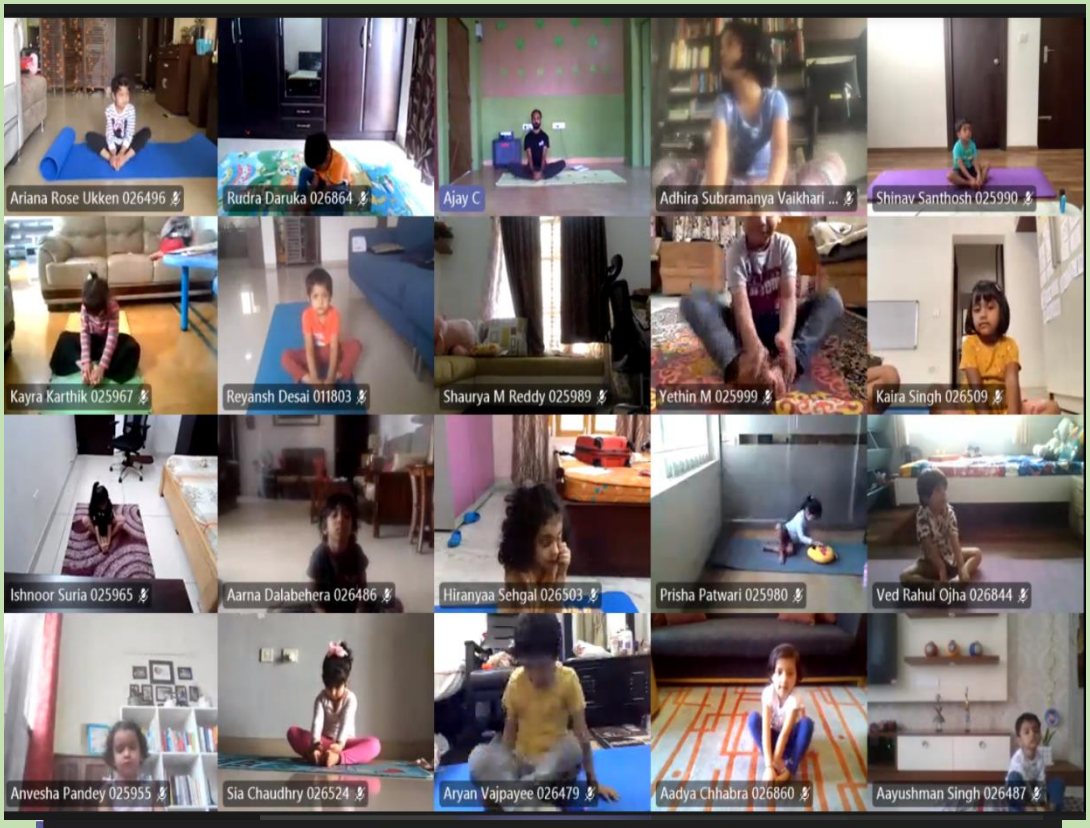
Ishanvi I Harisha 026507
Chirag M Reddy 025958
Mira Shand 026512
Gaurika Kapoor 025962
Prisha Jain 026520
Prerana Godabole
Advika Sumana Reddy 025948
Myra Aggarwal 025972

We jump on our yoga mats and fly……. it's simple

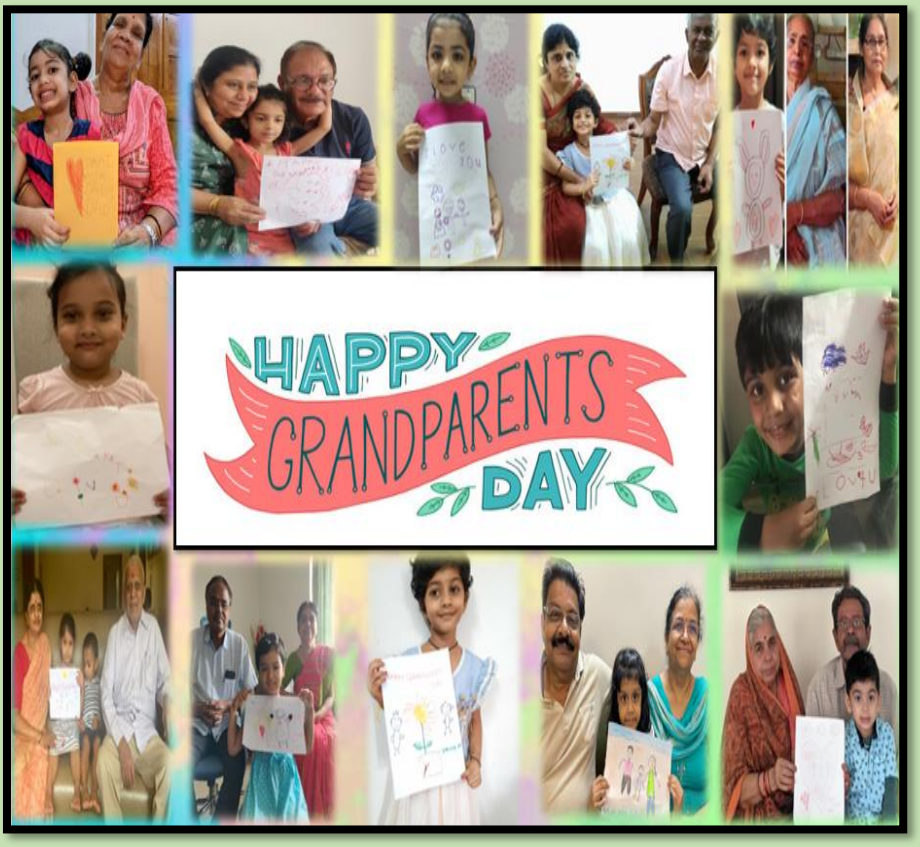


We make beautiful music together

The STEM offers the kids an opportunity to explore & experiment with materials on their own or with teacher/parent assistance and observe the natural processess.

Life cycle of a butterfly

Fun with colours



Grandparents
make
our
World
a
little
safer,
a
little
Kinder
and
a
little
Warmer.

Thank You
