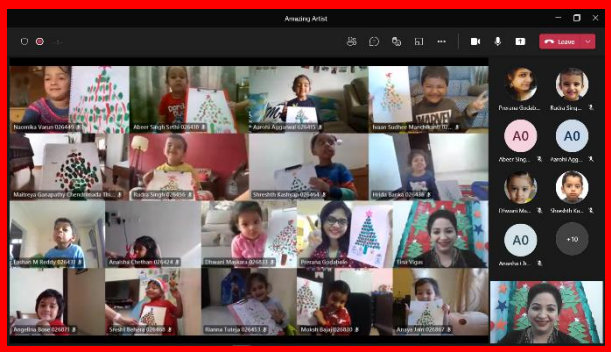
MANAGEMENT NEWS LETTER EARLY YEARS

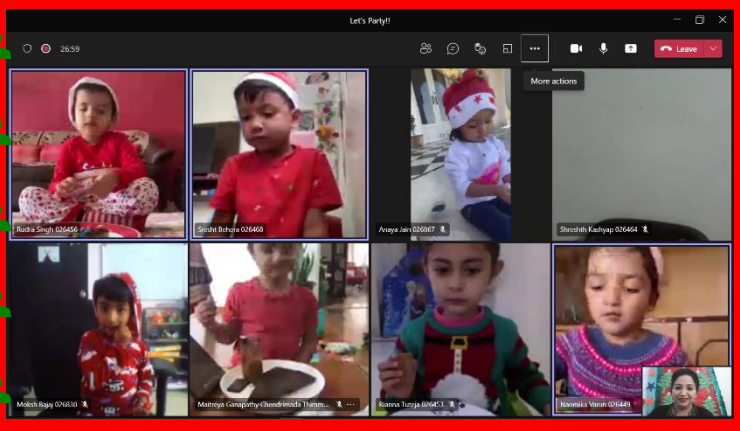
DECEMBER 2021

Parents are the ones who do all the sacrifices to raise a child. Seeing their child progress in life is the dream in every parent's eyes. Hence, we take a moment in thanking for all the hard labour you have gone through to make this online session successful.

Thank you for all you do to support your child in their academic development. We are also working diligently to improve every child's academic achievements. We want our kids to be successful in their future endeavours.

This season brings every family and friends together. It gives us a chance to appreciate the love in our lives which we often take for granted. We at Greenwood High encouraged our little ones the spirit of joy and sharing wherein the children celebrated this joyous season by having an online class party. The little ones decorated cookies and doughnuts and shared among the family members. The kindergarten team take a moment to wish our ever-supporting parents a joyous Christmas and a very happy prosperous New year.





Let's Party!!
