KG 1 JUNE MANAGEMENT NEWSLETTER

The school reopened in June after the Summer vacations, and it was such a pleasure to have the children back in the classrooms. The halls and the corridors are resounding with their tiny footsteps and merry voices after a long break. In the month of June we had the topic – Who Am I. The children had a general introduction on the topic of "Myself" and were taught how to talk about themselves. The children also learnt the Magic words sorry, please, thank you and excuse me. They were taught the usage of these words and the appropriate situations where these words can be used. They also learnt the golden rules of the class, good manners and good habits, healthy eating habits and dining hall rules through a hands-on activity.

In Literacy the children had a recap on all the letters Aa-Zz. They learnt sight words -I, at, on, me, am, and usage of these sight words in sentences. They also learnt to identify these sight words in a sentence. The Sight words were taught through games and fun hands-on activities. They were also introduced to vowels through a story and activity.

In Numeracy, the children learnt the concepts –loud and soft, big and small, long and short and rough and smooth through activities and games. We also did the shape – the Semi Circle. The introduction was done through an interesting story followed by a craft activity.

The children also enjoy the extracurricular classes such as music, art and yoga which keep them lively and active. The art classes had them sponge painting and this brought out the little artists in them.
