KG II Management Letter

June – 2023

With the beautiful month of June stepping in, we are back to school to witness the smiles of our little ones. It was a delight to see, hear our kids. After two months of silent hallways and empty classrooms, it was a delight today to welcome all our students back into the building. The extensive preparation and planning put into making school re-entry safe and welcoming were a priority for all of us. Our classrooms have been transformed into vibrant and engaging spaces. Teachers have implemented interactive teaching strategies to teach numbers, letters, vowels, and blends, incorporated computer science, audiovisual class, and circle time technology, and utilized hands-on activities to facilitate active learning experiences for the concept of over, under, tall, short, and long. Overall, the first month at Greenwood High has been an incredible start to the academic year. The energy, dedication, and commitment exhibited by our students is commendable. Incorporating life skills into the kindergarten curriculum provided a holistic approach to education, nurturing academic skills and the social, emotional, and behavioural competencies needed for success. We are excited about the opportunities and challenges ahead and remain focused on providing the highest quality education to our students. Thank you and the entire management team for your continuous support and guidance. Your vision and leadership have been instrumental in shaping the positive environment at our school.

Thank you for your attention, and we look forward to sharing further updates as we progress through the academic year.

Regards

Team KG II

Let's take a sneak peek at our classrooms 😊

KG II A all set to sing birthday song..

KG II D happy to go home with a big smile 😊..

KG II B after the first day at school 😊.

KG II F ... a victory pose 😊.

KG II C… on the mat for snacks 😋.

KG II E… rocked their first day @ school 😋.
