Early Years Management Letter Nov -2023

"Childhood is the most beautiful of all life's seasons"

November is a very special month during the academic year, as we celebrate the most important part of our school, "the children" who make us feel so proud and happy each day. This year being their first children's day celebration at school, we made sure they enjoyed it thoroughly and it was memorable too. The celebrations began with a lovely surprise from all the kindergarten teachers putting up a show for the babies followed by happy treats like popcorn and cotton candies. The little ones were stoked by the whole experience.
